Interview Lala

Our VIP 305 Cover page for Magazine 24 features Lala. Lala is a teen model, award winning cheerleader, and dedicated student. Not only does she give her all in everything she does, but she is also a role model to many young cheerleaders and models everywhere!

1. How old were you when you started to cheer? I was 10 years old when I started cheering.

2. How many hours do you spend a week practicing for cheer? Our team practices are twice a week for about 2 1/2 hours and extra practices can run 10 hours on weekends. I also go in on my off days for about two hours on Tuesdays and Thursdays just to condition and practice a little bit.

3. What keeps you motivated to keep going back to the gym and practicing even when things get tough? The love of the sport and my teammates and friendships I have made.

4. What do you look forward to the most during cheer season? Our new routine, new uniforms and our dance choreography.

5. How many Championships have you won for cheer? I am blessed to have one battle at the big top, cheer sport, NCA, UCA and worlds.

6. Do you cheer with just Top Gun? Or are you on a school team as well? I used to cheer for my high school for a short time but since I travel a lot I had to continue being homeschooled and concentrate on TopGun.

7. Who are your biggest supporters? The biggest supporters I have in my life are my family, friends and all of the young athletes that support me and my team every time we step on the mat

8. Who would you say has been your best mentor or teacher throughout your whole career so far? My mom who has always had my best intentions at heart.

9. Who is your role model? Not one, but all women who believe in empowering other women.

10. How did you become a part of the modeling business? I was asked by a company who saw me on Instagram and sent me a message and it all began from there

11. What companies do you model for? Rebel athletic, Onex50, prom girl, Sally Miller, stunt stand, pro hair tie, flippin amp, Giant Pixel and I modeled for Under Armor asan epic athlete.

12. What is your favorite part about modeling? My favorite part is traveling all over the world, making friends, and being able to wear the new creations the company has created before anyone has a chance to see them.

13. Who is your style icon? I like new and upcoming trends I like watching new fashion shows but just basically jeans and shirts, fun stuff.

14. When you aren't modeling or cheering what is YOUR style? Do you prefer to be comfy, dressed up? I would say my style would be either athletic, ripped jeans with a cute top some cute shoes or some hot sneakers trending now.

15. Is it hard to juggle friends, cheer, modeling, school, and everything else you do? It's been hard to balance because, when you're cheering or modeling you usually miss a lot of events that your friends have going on but it's worth it I end up making it up and spending some time with them and for school I keep up with it by traveling with my laptop and doing schoolwork every time I get a moment

16. What are your favorite things to do to unwind from cheer and modeling? I love working out, going to the beach, hanging out with friends, and traveling.

17. What are your biggest goals both in your personal life and your career? My biggest goals consist of getting into a good college and becoming a dermatologist

18. Did you ever expect to be such an inspiration and role model to girls everywhere? One never expects to be any kind of role model but it's a great feeling and I'm blessed to meet all these amazing people and athletes

19. Do you have any advice for these girls who look up to you and admire you? My advice to anyone is to be humble, work hard, stay in school and make going to college a priority. Try to enjoy every moment because before you know it it's gone.

20. What would you tell someone who wants to start to cheer but is unsure because of all the challenges that could face them? I would tell them that no athlete is the best. Do things at your own pace and make sure you're having fun doing it.

21. Where do you see yourself 5 years from now? In five years I am hoping to be in medical school happy, healthy and enjoying life.

SKYDIVING EXPERIENCE

For as long as I can remember skydiving had been one of the top things to do on my bucketlist. Beginning at a very young age thrill seeking, and exploring had always been hobbies of mine. I would dream about skydiving, cliff jumping, and mountain climbing around this time; there was just something about being high in the sky or above everything that fascinated me. While I got the chance to go mountain climbing and cliff jumping, skydiving was always something I was not able to try out due to the age requirement.Finally the day came that I turned 18, and the very same day I booked my skydiving appointment at Miami Skydiving Center. Upon arrival later that week we were met and trained by their staff in preparation for our jump. In less then an hour I was beginning my flight to the 10,000 feet jump point. With a few final directions from my tandem staff member we jumped and the fall began. The first few seconds were probably the scariest of my life, but immediately after the rest of the drop was absolutely breath taking to say the least. It felt as if that short time in the sky was an eternity. The site was beautiful and the feeling was truly indescribable. I would recommend anyone to try it, that memory was experience unforgettable.

BELEN TOMBOLA

On February 8-10, 2019
Belen Jesuit Preparatory School hosted their 51st annual Tombola. They started the weekend off with the Culinary Extravaganza on Friday night featuring some of Miami's most diverse and popular restaurants that even included wine pairing! Saturday offered another opportunity for adults to gather at the 9th Annual Wine Tasting along with a Cigar Lounge that lasted until Sunday. New this year to Tombola was an Early Bird Shopping Event for shops to set up booths with their merchandise up to sell, even though this was a ticketed event only open to 200 people it was a big hit! Saturday night included a live concert performance by Mad World Orchestra with tons of food, games, and rides going on as well all around the campus. And finally, Sunday morning started off with a Flag Football Tournament that had three different divisions; Sixth grade, Middle school, and High school. Later in the afternoon there was Whiskey tasting and the second day of the Cigar Lounge. Overall Tombola was a great success! Not only did they Reach their goal amount of $675,000.00 but they passed it! As Father Willie said in his message, **Mission Accomplished!**

ISPA Celebrates Literacy Week

It was literacy week here at International Studies Prep Academy (ISPA), and we started off the month of January by promoting literacy in a big way! We've been reading some of our favorite books. This year's theme was "Spreading Literacy, One View at a Time." Dr. Blanco, our principal, initiated the week by sharing a portion of Fitzgerald's memorable, Great Gatsby, on Instagram. To further inspire students to read more, ISPA's English teachers, Mrs. Feiler, Ms. Milian, and Mrs. Lugo, decorated their classroom doors with some of their favorite novels. Students helped with this task by making posters and helping adorn the classroom door. Other classes took time to Drop Everything And Read and enjoy their favorite reads. The week was culminated when students shared their "Selfie Poems" with one another in class. This annual event demonstrates the importance of providing scholars with excellent reading habits, which is why at ISPA, we celebrate it every year.v

ISPA Visits Magic Kingdom

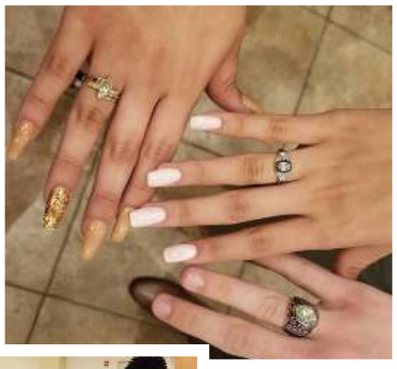

This year, ISPA's sophomores enjoyed a trip to Magic Kingdom as their end of the year class trip. We all gathered at school at 4:30 AM, and headed off to the beloved theme park. Magic Kingdom is considered the main attraction of all the parks and opened in 1971, almost 50 years ago! It is known as the "Happiest place on Earth", meant to bring joy and laughter to people of all ages. The park is divided in six lands: Main Street USA, known for the Cinderella castle and the revered statue of Walt Disney himself with Mickey Mouse, Adventureland, Frontierland, Liberty Square, Fantasyland and lastly, Tomorrowland. Magic Kingdom has a variety of rides to choose from, like It's a Small World, Big Thunder Mountain Railroad, The Many Adventures of Winnie the Pooh, Mad Tea Party, and one of the most popular rides there, Splash Mountain, a water log ride with a 50 foot plunge that many look forward to when they get to the park. Another fun ride is Space Mountain, where riders experience traveling through space on a dark ride with unexpected turns and drops. As the day went on, we ate many tasty treats like caramel popcorn, mickey shaped ice cream and overall spent a fun day with our friends. After a long day of walking and going on rides we went back on the bus for a 4 hour ride filled with karaoke and dance parties, the best way to end the day!

23 Pace High School students receive acceptances to FSU and UF for the fall semester

Monsignor Edward Pace High School is proud to announce that 23 Spartan seniors have been accepted to attend Florida State University and the University of Florida beginning in the fall of 2019.

The students accepted to FSU are: Lauren Aponte, Deanna Bernard, Katrina Cruz, Juselie Derice, Berteau Eliassaint, Kristen Fleitas, Ariana Garcia-Fundora, Deianeira Hoffenden, Teresa Macias, Ethan Mansell, Lyandros Martin, Matthew Muthiah, Samantha Ortega, Amanda Perez, Jade Ramasami, Kelsey Rosier and Isabella Vazquez.

Students accepted to UF are: Paola Calleyro, Daniella Conde, Katrina Cruz, Juselie Derice, Berteau Eliassaint, Ariana Garcia-Fundora, Lixandross Gernier, Teresa Macias, Daniela Molano, Samantha Ortega, Qiana Pierre, Kelsey Rosier, Fabia St. Juste and Isabella Vazquez.

The group of students has not only excelled academically during their time at Pace, but they have also been highly involved with various clubs, honor roll societies, campus ministry and athletics. Pace is excited for these exceptional students as they begin to make the next steps in their academic future.

Pace's Silver Knight candidates

Monsignor Edward Pace High School has announced its Silver Knight Award nominees for the 2018-2019 school year.

The Spartan nominees include Nathan Bonet as the Mathematics Silver Knight nominee and Fabia St. Fleur as the Social Science Silver Knight nominee.

The Miami Herald Silver Knight Awards is one of the nation's most highly regarded student awards programs. The purpose of this awards program is to recognize outstanding students who have not only maintained good grades but have also unselfishly applied their special knowledge and talents to contribute significant service to their schools and communities.

One Silver Knight and three honorable mentions in each category will be announced at a ceremony on May 16 at the James L. Knight Center in Miami. Silver Knight winners will receive a $2,000 prize and the honorable mention winners will receive $500 each.

SAINT BRENDAN HIGH ANNUAL COLLEGE FAIR

In February 25th, St. Brendan hosted it's 6th Annual College Fair. Thank you to all the college representatives who attended. It was informative for both students and parents.

POP TAB

WHAT IS A POP TAB?
Pop tabs are the little aluminum tabs from soda cans, pet food, canned foods and more!

WHY DO WE SAVE THE POP TABS?
Our Pop Tab recycling program is a wonderful way to raise funds for the Ronald McDonald House Charities of South Florida. It's a simple way to create public awareness and support the House and its mission. Due to space,pop tabs are more efficient than the entire can and also the most dense and purest form of aluminum within a can.

WHAT HAPPENS TO THE POP TABS ONCE WE RECEIVE THEM?
When you bring your tabs to the House, in any kind of container, our volunteers empty them into large trash bins. Once we collect approximately 500 pounds, one of our volunteers takes the tabs to the scrap metal dealer, who gives us money based on weight and the current market value of aluminum.

FUN FACTS
- 1,267 pop tabs to make a pound.
- 1 million pop tabs, when recycled, will provide a night's lodging for 25 families at Ronald McDonald House.

WHERE CAN I TAKE MY POP TABS?
- Drop off your pop tabs at our House at 1145 N.W. 14th Terrace Miami, FL 33136. Weekdays or weekends during our office hours 9am-5pm.

For more information visit us at

"Mr. Columbus" Brings the Heat

On February 23, 2019 Christopher Columbus High School celebrated Brother Kevin's 80th birthday at the Miami Heat game. Brother Kevin was the honorary captain for the game against the Detroit Pistons. A bunch of Columbus alumni, parents, and students attended and joined in on the Halftime Recognition Ceremony at the Xfinity East Plaza to sing Brother Kevin a special Happy Birthday song.

C ROBOTICS TEAM PLACES 4TH IN SFL

The Columbus Robotics Team competed in the South Florida VEX Robotics High School State Championship. The team went 5-1 at the championship, ranking 4th overall against the best 34 robotics teams in South Florida -- above Ransom (13th), Belen (15th) and Coral Park (20th). The team was one win short of qualifying for the Worlds Championship next month.

Please congratulate Daniel Saez, Daniel Luna, Gabriel Paz and Anthony Alonso.

WRESTLING QUALIFIES 8 TO STATE TOURNAMENT

The varsity wrestling team qualified eight wrestlers out of the 14 weight classes to compete at the FHSAA Class 3A State Championship this weekend in Kissimmee, Florida.

Robert Dusendang (113 lbs.), Charles Huffman (120 lbs.), Justin Valdes (126lbs.), Dylan Mira (132 lbs.), David Milton (145 lbs.), Ryan Gonzalez (152 lbs.), Brent Becerra (170 lbs.) and Carmine D'Ascoli (195 lbs.) will all represent Columbus proudly after a very hard fought Region 4-3A Championship.

As a team, the Explorers came in 3rd place behind defending state champion South Dade and runner up Southwest.

Who: St Brendan Elementary

What: Catholic Schools' Week

When: January 28-February 1, 2019

Where: School Grounds

Why: National Celebration of our Faith

St. Brendan Elementary had a whole week of festivities celebrating our faith and those that make our faith stronger. On Monday, we had our annual Talent Show where children demonstrated that many talents God has bestowed upon them. We celebrated the teachers and staff on Tuesday! On Wednesday, we gathered for Mass and celebrated the life of Jesus. Thursday was Career Day! We had visitors from all walks of life letting students know that with faith and perseverance, anything is possible. The week culminated on Friday with Field Day where Navigator Families gathered to celebrate unity! What an amazing week!

Bryan Fernández Keys to the city

SPECIAL CORNER

As the month of April approaches Daniella Santos of St. Brendan's High Schotol is diligently working to achieve great things for Bryan's Art Foundation. She has been instrumental in assisting the foundation obtain grants that provide Art Therapy (Performers at Heart), Theater and Dance classes for individuals diagnosed with Autism and other special needs. Daniella spoke at the March 4th Sweetwater Mayor and Commissioner's Council meeting. Her efforts were crucial in securing 1200 ft.2 of space for Bryan's Art Foundation to provide Art Therapy classes for those individuals with special needs. This achievement would not have been possible without her dedication to this cause. On the evening of March 4th Bryan's Art Foundation
presented the city of Sweetwater with one of his paintings. The foundation was awarded keys to the city for their efforts and relentless dedication to families with individuals affected with Autism.
On the night of the celebration Bryan Fernández-Cornejo was accompanied by his parents Roxana Corcuera, Luis M. Fernandez-Cornejo, his brother Sebastian as well as various other friends and family members. The Mayor and Commissioners unanimously approved to increase awareness and support for those in the community with Autism and other special needs.
Daniella has been working with the foundation for three years providing Art, Theater, and Dance classes to individuals with Autism and other special needs. She has been the voice of the foundation, instrumental in the planning stages of many events in the community for the foundation, and was applauded for her efforts on March 4th at the Mayor and City Council Commissioners meeting. Commissioner Marco Villanueva presented the motion to support Bryan's Art Foundation in acquiring the space and resources needed to initiate the art program and the other commissioners Prisca Barreto, Manuel Duasso, Joniel Diaz, Idania Llanio, and David Borrero unanimously supported the motion and thereby positively affecting the lives of many families thanks to their votes.

Good things happen in threes. Here's proof. The Girls Basketball, Boys Basketball and Boys Soccer team all won championships in their respective divisions. Congratulations SLAMPIONS!

St. Brendan Cheer

St. Brendan High School's JV and Varsity Cheerleaders competed at the UCA High School Nationals. The JV Cheerleaders placed 12th in the nation and the Varsity Cheerleaders are now number 1 in the state and 5th in the NATION! Congratulations to both teams on an amazing season!

SLAM! Takes On Hamilton!

By Amanda Milian

SLAM students did not throw away their shot to see the Broadway play, Hamilton!

On Wednesday, January 16, nineteen students, world history teacher, Mr. Cole and radio personality / teacher, Mr. Milian, made their way back to 1776 to see the play that has taken the country by storm, Hamilton at the Broward Center for the Performing Arts in Ft. Lauderdale, FL.

The Gilder Lehrman Institute and their partnership with the writer of the play, Lin-Manuel Miranda, offered students from around Miami-Dade, Broward, and Palm Beach Counties the opportunity to learn more about our founding fathers, including the titular Alexander Hamilton, and all he contributed to the United States in a day full of activity.

The group spent the first half of the day soaking in talent from students across South Florida who rapped and recited poetry inspired by the film Hamilton and the Revolutionary Era.

"The students were incredibly talented. Their performances were all so unique and I really enjoyed them," said senior Isabella Lopez.

After the student performances, a question and answer session took place with cast members of Hamilton. A myriad of questions were asked ranging from quite funny to more serious as the cast offered advice to aspiring performers and students.

Once the Q&A was over, students enjoyed an outdoor lunch and then finally, it was showtime.

From the moment the first song was sung, student's eyes were glued to the stage as they sang along to various songs of which included the iconic "Alexander Hamilton," "My Shot," and of course, the Cabinet Battles.

The play depicts the events during the Revolutionary Era with a twist, of course, as our founding fathers expressed themselves with witty raps, complex wordplay, and traditional pop-inspired ballads. Three hours of filled with lots of rapping, laughing, and learning flew by and students were left speechless.

"The play was amazing. I have no words to describe how happy I am that I finally got to see the play. I even cried a little," said junior Cindy Solier.
